Subject: Floss Between the Lines – It’s a Must!

The Importance of Daily Flossing

It is just as important to floss daily as it is to brush your teeth. Yet so many people skip this step. Want to know why flossing is a must? Read full article

Oral Health Linked to Overall Health

Did you know that your oral health can offer clues about your overall health - or that problems in your mouth can affect the rest of your body? Your oral health is more important than you might realize. Read full article in Dental Review eNews
